*This certificate entitles your new puppy/kitten to **\$5 off** grooming at Central Bark West. We encourage you to let our experienced, professional groomers introduce your puppy/kitten to grooming with all its new sights, sounds, and smells – it can be very exciting for a new puppy/kitten! The gentle grooming staff at Central Bark West will make sure your puppy/kitten learns to relax and enjoy the pampering.*

Our grooming facility features a comfortable setting for your pet including separate bathing/drying and styling areas and separate climate control. We even have a Groom-with-a-View window so you can watch your puppy's or kitten's transformation.

*Call **636-458-9010** to make an appointment.*

Good before the puppy/kitten reaches 6 months of age.
